Birmingham Young Professional of the Year (BYPY) is BPS Birmingham Future's flagship event; showcasing and celebrating the rising stars of the business and professional services sector in the Greater Birmingham. BYPY is much more than just an event, it is your opportunity to be amongst the region's very best, both professionally and personally.

Applicants can choose between one of the six categories, which range across a number of different sectors and industries. The awards are open to all areas of the professional and business community, whether you are working in a private business, an agency or in-house department.

For further details on all categories and BYPY, please visit [www.bpsbirmingham.co.uk/bypy/](http://www.bpsbirmingham.co.uk/bypy/)
